

Welcome to the 2025 Poway American Little League Season!

Registration is now closed, and player assessments have been set. Time slots for each player are posted to our website under Downloads – Information, as well as listed below. Full last names have been redacted for privacy concerns.

Assessments will be held on Saturday, January 11th and are mandatory for all players registered in MAPS, Minor B, Minor A, and Majors.

A few other notes:

- Please arrive 30 minutes prior to your scheduled time slot to check in and warm up. We have over 250 players trying out and that makes for a VERY long day.
- There will be a check-in table near the fields to sign and get a number for your player to wear.
- USA Baseball-approved bats are required for tryouts. The league will have bats in various sizes available for tryouts (NOTE: Each team will also be provided with approved bats for use during the season, so players aren't required to buy their own.)
- Please ensure that your player wears proper baseball attire (cleats, hat, sliding pants, etc.) and brings their own gloves.

I'd like to remind everyone that teams are determined by a series of drafts. This means that there is a chance your player does not get drafted into the division they were registered under. If your child does not get into the division chosen they will be guaranteed selection in the next division down (note that all players in the MAPS division draft will be drafted into MAPS). If you have questions or concerns about this please let me know now.

All players will find out their teams at our "Meet Your Coach" event on 1/29/25 at the PALL fields behind Tierra Bonita Elementary (More information to follow). I am looking forward to seeing everyone at the assessments, and to a great 2025 Little League Season!
